Baseball Haiku: The Best Haiku Ever Written

about the Game Nanae Tamura 2007-04-17

Presenting more than two hundred of the greatest haiku ever written about the game. There are moments in every baseball game that make fans catch their breath: the pause while a pitcher looks in for the sign, the moment a cocksure rookie gets picked off first, or the instant a batter lashes a game-winning homer into the night sky, just before the sell-out crowd explodes onto its feet. Haiku captures these moments like no other poetic form, and Baseball Haiku captures the sights, the sounds, the smells, and the emotions of the game like no previous collection. Some of the most important haiku poets of both America and Japan are featured in this anthology; including Jack Kerouac, a longtime baseball fan who pioneered English-language haiku; Alan Pizzarelli, one of the top American haiku and senryu poets of the last thirty years; and Masaoka Shiki, one of the four great pillars of Japanese haiku—a towering figure—who was instrumental in popularizing baseball in Japan during the 1890s. With over two hundred poems spanning more than a century of

ball playing, Baseball Haiku reveals the intricate ways in which this enduring and indelible sport—which is played on a field, under an open sky—has always been linked to nature and the seasons. And just as a haiku happens in a timeless now, so too does Baseball Haiku evoke those unforgettable images that capture the actions and atmospheres of the national pastime: each poem resonates like the lonely sound of cleats echoing in the tunnel as a grizzled veteran leaves his final game. The largest collection of haiku and senryu on baseball ever assembled, Baseball Haiku is an extraordinary treasure for any true baseball fan.

Black Cross Nicole Hammett 2021-08-15 The New Negro Movement. Back to Africa Movement. Harlem 1921. Home of the Black family. Black Cross tells the story of the becoming of Alice-Paul Black. Wife of Rufus Black, mother of Willie and Junior Black, daughter of Mamie Johnson. Born a dark-skinned Negro woman disallowed the right to dream, details her willingness to no longer accept who her husband allows her to be. Who her mother tells her she needs to be and who the world says that she is. It took a long time for Alice-Paul Black to find her voice, and she's going to tell you who she ain't

Plato's Timaeus and the Biblical Creation

Accounts Russell E. Gmirkin 2022-05-03 Plato's Timaeus and the Biblical Creation Accounts argues that the creation of the world in Genesis 1 and the story of the first humans in Genesis 2-3 both draw directly on Plato's famous account of the origins of the universe, mortal life and evil containing equal parts science, theology and myth. This book is the first to systematically compare biblical, Ancient Near Eastern and Greek creation accounts and to show that Genesis 1-3 is heavily indebted to Plato's Timaeus and other cosmogonies by Greek natural philosophers. It argues that the idea of a monotheistic cosmic god was first introduced in Genesis 1 under the influence of Plato's philosophy, and that this cosmic Creator was originally distinct from the lesser terrestrial gods, including Yahweh, who appear elsewhere in Genesis. It shows the use of Plato's Critias, the sequel to Timaeus, in the

stories about the Garden of Eden, the intermarriage of "the sons of God" and the daughters of men, and the biblical flood. This book confirms the late date and Hellenistic background of Genesis 1-11, drawing on Plato's writings and other Greek sources found at the Great Library of Alexandria. This study provides a fascinating approach to Genesis that will interest students and scholars in both biblical and classical studies, philosophy and creation narratives. .

Basher Five-Two; True Story of F-16 Fighter Pilot Captain Scott O'Grady Scott O'Grady 2009-07-01 Biography, autobiography, and memoir is among the best ways to teach students to appreciate nonfiction reading.

How Does a Poem Mean? John Ciardi 1975 Explains the basic elements of poetry, and groups poems to encourage an analysis of similarities and differences

Fox Coloring Book Adult Coloring World 2016-03-16 Get fantastic value for money with this huge Fox Coloring Book! The 40 expertly illustrated Fox designs in this coloring book for adults will provide hours of entertainment! Features of this Fox Coloring Book: Single sided coloring pages allow for the pages to be removed Suitable for markers, felt tips, gel pens, coloring pencils and more due to single sided, removable pages Professional quality designs from start to finish 2 Color test pages at the back of the book Fox Coloring Book: This fox coloring book contains 40 single sided coloring pages. This allows you to remove each page for framing or hanging. This also helps reduce bleed through onto the other designs even if you are using markers, making this book suitable for everything from coloring pencils through to marker pens. The fox designs contained within this fantastic book are created by various artists to provide variation throughout, each hand picked by us here at Adult Coloring World to ensure fantastic quality. We know that sometimes you will buy a book after being impressed initially by an amazing design on the cover, only to be disappointed with the books contents when you open it. Well we make sure this never happens with any of our books and we can assure you that all of the designs inside are high quality from start to finish. This adult coloring book of fox designs contains a wide variety of designs. This

book makes a fantastic gift idea for your family and friends. If you know someone who loves fox themed gifts then they will be sure to love this adult coloring book too!

Why Are There So Many Banking Crises?

Jean-Charles Rochet 2009-02-09 Almost every country in the world has sophisticated systems to prevent banking crises. Yet such crises--and the massive financial and social damage they can cause--remain common throughout the world. Does deposit insurance encourage depositors and bankers to take excessive risks? Are banking regulations poorly designed? Or are banking regulators incompetent? Jean-Charles Rochet, one of the world's leading authorities on banking regulation, argues that the answer in each case is "no." In *Why Are There So Many Banking Crises?*, he makes the case that, although many banking crises are precipitated by financial deregulation and globalization, political interference often causes--and almost always exacerbates--banking crises. If, for example, political authorities are allowed to pressure banking regulators into bailing out banks that should be allowed to fail, then regulation will lack credibility and market discipline won't work. Only by insuring the independence of banking regulators, Rochet says, can market forces work and banking crises be prevented and minimized. In this important collection of essays, Rochet examines the causes of banking crises around the world in recent decades, focusing on the lender of last resort; prudential regulation and the management of risk; and solvency regulations. His proposals for reforms that could limit the frequency and severity of banking crises should interest a wide range of academic economists and those working for central and private banks and financial services authorities.

ACT Elite 36 Princeton Review (Firm) 2015-12-08 In today's competitive college admissions environment, even the most successful high school students are looking for an additional edge. Written for high-scoring students who already have ACT fundamentals down pat but want to perfect their scores, ACT Elite 36 focuses on teaching students to avoid common small-but-costly errors that trip up top-scorers, perfect their advanced strategies, and master the toughest ACT material. In late 2015, the ACT plans to debut an online version of this test and a few

minor changes (to the optional portions of the exam), which will be addressed in this revision.

Golden Witchbreed Mary Gentle 2013-06-24 Orthe - half-civilized, half-barbaric, home to human-like beings who live and die by the code of the sword. Earth envoy Lynne Christie has been sent here to establish contact and to determine whether this is a world worth developing. But first Christie must come to understand that human-like is not and never can be human, and that not even Orthe's leaders can stop the spread of rumors about her, dark whisperings that could cost Christie her life. And on a goodwill tour to the outlying provinces, these evil rumors turn to deadly accusations. Christie is no offworlder, Church officials charge: she is a treacherous and cunning descendant of Orthe's legendary Golden Witchbreed - the cruel, ruthless race that once enslaved the whole planet. Suddenly, Christie finds herself a hunted fugitive on an alien world, where friend and foe alike may prove her executioners. And her only chance of survival lies in saving Orthe from a menace older than time...

Daddy Snuggles Hannah C. Hall 2019 A tender look at the bond between father and child from best-selling author Hannah C. Hall

British Social Attitudes Alison Park 2004-12-07 '...an authoritative survey of social attitudes' - The Daily Telegraph 'The most comprehensive study of public opinion' - Financial Times 'The Rolls Royce of opinion surveys' - The Times The British Social Attitudes survey series is carried out by Britain's largest independent social research institute, the National Centre for Social Research. It provides an indispensable guide to current political and social issues in contemporary Britain. The most comprehensive review of changing British social values available, the British Social Attitudes survey report is an essential reading for anyone seeking a guide to the topical issues and debates of today or engaged in contemporary social and political research.

The TTL Data Book Texas Instruments Incorporated 1984

Odes Sharon Olds 2016-09-08 'Interspersed with acts of breathtaking linguistic daring.' Charlotte Mendelson, Observer Book of the Year Opening with a powerful and tender 'Ode to the Hymen', Sharon Olds uses this age-old poetic form to

address many aspects of herself, in a collection that is centred around the female body and female pleasures, and touches along the way on parts of her own story which will be familiar from earlier works, each episode and memory now burnished by the wisdom and grace of looking back. In such poems as 'Ode to My Sister', 'Ode of Broken Loyalty', 'Ode to My Whiteness', 'Blow Job Ode', 'Ode to the Last 38 Trees in New York City Visible from This Window', Olds treats us to an intimate self-examination that, like all her work, is universal and by turns searing and charming in its honesty. From the early bodily joys and sorrows of her girlhood to the recent deaths of those dearest to her – the 'Sheffield Mountain Ode' for Galway Kinnell is one of the most stunning pieces here – Olds shapes her world in language that is startlingly fresh, profound in its conclusions, and life-giving for the reader.

Ion Gauge Control M. Sands 1946

The Unforgettable Americans John A. Garraty 2013-10 This is a new release of the original 1960 edition.

Lenore: Wedgies (Color Edition) Roman Dirge 2010-05-18 Return to the dark, surreal world of Lenore, the cute little dead girl with a knack for unintentional mayhem and occasional wanton destruction in this second instalment, beautifully and painstakingly coloured by Roman Dirge himself.

The Poetry of Zen 2007-02-13 A Zen poem is nothing other than an expression of the enlightened mind, a handful of simple words that disappear beneath the moment of insight to which it bears witness. Poetry has been an essential aid to Zen Buddhist practice from the dawn of Zen—and Zen has also had a profound influence on the secular poetry of the countries in which it has flourished. Here, two of America's most renowned poets and translators provide an overview of Zen poetry from China and Japan in all its rich variety, from the earliest days to the twentieth century. Included are works by Lao Tzu, Han Shan, Li Po, Dogen Kigen, Saigyō, Bashō, Chiao Jan, Yuan Mei, Ryōkan, and many others. Hamill and Seaton provide illuminating introductions to the Chinese and Japanese sections that set the poets and their work in historical and philosophical context. Short biographies of the poets are also included.

Hoot! Meow! Roar! Parragon Books 2019-09-24 Hoot! Meow! Roar! Come take a journey and listen to animals! Meet creatures from around the world on land and in the sea, and learn fun (and wild) facts on every page. Explore incredible creatures and press the buttons to hear lions, elephants, foxes, and more! This animal book will keep your toddler entertained for hours! HOOT! MEOW! ROAR! 10 "wild" sounds to explore! Bring the scene to life and follow along by pressing the sounds corresponding to each page Vivid illustrations and shaped cutouts of animals to turn the page Following along and pushing the corresponding buttons teaches supports matching and fine motor skills Toddlers will love exploring and reading this book over and over again!

Beautiful Signs Sarah Conover 2004 Presents Islamic stories that offer a background in Islamic traditions, folk tales, and mystical verse.

Blue Legalities Irus Braverman 2020-01-17 The ocean and its inhabitants sketch and stretch our understandings of law in unexpected ways. Inspired by the blue turn in the social sciences and humanities, Blue Legalities explores how regulatory frameworks and governmental infrastructures are made, reworked, and contested in the oceans. Its interdisciplinary contributors analyze topics that range from militarization and Maori cosmologies to island building in the South China Sea and underwater robotics. Throughout, Blue Legalities illuminates the vast and unusual challenges associated with regulating the turbulent materialities and lives of the sea. Offering much more than an analysis of legal frameworks, the chapters in this volume show how the more-than-human ocean is central to the construction of terrestrial institutions and modes of governance. By thinking with the more-than-human ocean, Blue Legalities questions what we think we know—and what we don't know—about oceans, our earthly planet, and ourselves. Contributors. Stacy Alaimo, Amy Braun, Irus Braverman, Holly Jean Buck, Jennifer L. Gaynor, Stefan Helmreich, Elizabeth R. Johnson, Stephanie Jones, Zsófia Korosy, Berit Kristoffersen, Jessica Lehman, Astrida Neimanis, Susan Reid, Alison Rieser, Katherine G. Sammler, Astrid Schrader, Kristen L. Shake, Phil Steinberg **Biology of Humans** Judith Goodenough 2013-01-09 Known for its unique "Special Topic"

chapters and emphasis on everyday health concerns, the Fifth Edition of *Biology of Humans: Concepts, Applications, and Issues* continues to personalize the study of human biology with a conversational writing style, stunning art, abundant applications, and tools to help you develop critical-thinking skills. The authors give you a practical and friendly introduction for understanding how their bodies work and for preparing them to navigate today's world of rapidly expanding—and shifting—health information. Each chapter now opens with new “Did You Know?” questions that pique your interest with intriguing and little-known facts about the topic that follows. The Fifth Edition also features a new “Special Topic” chapter (1a) titled “Becoming a Patient: A Major Decision,” which discusses how to select a doctor and/or a hospital, how to research health conditions, and more.

Going Back to Civilian Life 1956

Affective Health and Masculinities in South Africa Hans Reihling 2020-04-24 *Affective Health and Masculinities in South Africa* explores how different masculinities modulate substance use, interpersonal violence, suicidality, and AIDS as well as recovery cross-culturally. With a focus on three male protagonists living in very distinct urban areas of Cape Town, this comparative ethnography shows that men's struggles to become invulnerable increase vulnerability. Through an analysis of masculinities as social assemblages, the study shows how affective health problems are tied to modern individualism rather than African 'tradition' that has become a cliché in Eurocentric gender studies. Affective health is conceptualized as a balancing act between autonomy and connectivity that after colonialism and apartheid has become compromised through the imperative of self-reliance. This book provides a rare perspective on young men's vulnerability in everyday life that may affect the reader and spark discussion about how masculinities in relationships shape physical and psychological health. Moreover, it shows how men change in the face of distress in ways that may look different than global health and gender-transformative approaches envision. Thick descriptions of actual events over the life course make the study accessible to both graduate and undergraduate students in the social sciences.

Contributing to current debates on mental health and masculinity, this volume will be of interest to scholars from various disciplines including anthropology, gender studies, African studies, psychology, and global health.

308 Circuits Jan Buiting 2003 This is the ninth in the 300 series of circuit design books, again contains a wide range of circuits, tips and design ideas. The book has been divided into sections, making it easy to find related subjects in a single category. The book not only details DIY electronic circuits for home construction but also inspiring ideas for projects you may want to design from the ground up. Because software in general and microcontroller programming techniques in particular have become key aspects of modern electronics, a number of items in this book deal with these subjects only. Like its predecessors in the 300 series, "308 Circuits" covers the following disciplines and interest fields of modern electronics: test and measurement, radio and television, power supplies and battery chargers, general interest, computers and microprocessors, circuit ideas and audio and hi-fi.

Westinghouse Air Compressors Westinghouse Air Brake Company 1912

Kinship Matters Fatemeh Ebtehaj 2006-09-15 This book is the fifth in the Cambridge Socio-Legal Group series and it concerns the evolving notions and practices of kinship in contemporary Britain and the interrelationship of kinship, law and social policy. Assembling contributions from scholars in a range of disciplines, it examines social, legal, cultural and psychological questions related to kinship. Rising rates of divorce and of alternative modes of partnership have raised questions about the care and well-being of children, while increasing longevity and mobility, together with lower birth rates and changes in our economic circumstances, have led to a reconsideration of duties and responsibilities towards the care of elderly people. In addition, globalisation trends and international flows of migrants and refugees have confronted us with alternative constructions of kinship and with the challenges of maintaining kinship ties transnationally. Finally, new developments in genetics research and the growing use of assisted reproductive technologies may raise questions about our notions of kinship and of kin rights and responsibilities. The book explores

these changes from various perspectives and draws on theoretical and empirical data to describe practices of kinship in contemporary Britain.

ASVAB Secrets Study Guide ASVAB Exam Secrets Test Prep 2018-04-12 Mometrix Test Preparation's ASVAB Secrets Study Guide is the ideal prep solution for anyone who wants to pass their Armed Services Vocational Aptitude Battery. The exam is extremely challenging, and thorough test preparation is essential for success. Our study guide includes: Practice test questions with detailed answer explanations Step-by-step video tutorials to help you master difficult concepts Tips and strategies to help you get your best test performance A complete review of all ASVAB test sections Word Knowledge Test Paragraph Comprehension Test Arithmetic Reasoning and Mathematics Knowledge Test General Science Assembling Objects Mechanical Comprehension Mometrix Test Preparation is not affiliated with or endorsed by any official testing organization. All organizational and test names are trademarks of their respective owners. The Mometrix guide is filled with the critical information you will need in order to do well on your ASVAB exam: the concepts, procedures, principles, and vocabulary that the United States Military Entrance Processing Command expects you to have mastered before sitting for your exam. The Word Knowledge Test section covers: Determining word meaning Testing tips The Paragraph Comprehension Test section covers: Comprehension skills Critical thinking skills The Arithmetic Reasoning and Mathematics Knowledge Test section covers: Math basics Geometry basics Probability basics Statistics basics The General Science section covers: Earth and space science Biology Chemistry Physics The Assembling Objects section covers: Assembling objects The Mechanical Comprehension section covers: Velocity Mass Friction Energy Collisions Fluids Lever Gears ...and much more Our guide is full of specific and detailed information that will be key to passing your exam. Concepts and principles aren't simply named or described in passing, but are explained in detail. The Mometrix ASVAB study guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both

technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language. Any test prep guide is only as good as its practice questions and answer explanations, and that's another area where our guide stands out. The Mometrix test prep team has provided plenty of ASVAB practice test questions to prepare you for what to expect on the actual exam. Each answer is explained in depth, in order to make the principles and reasoning behind it crystal clear. Many concepts include links to online review videos where you can watch our instructors break down the topics so the material can be quickly grasped. Examples are worked step-by-step so you see exactly what to do. We've helped hundreds of thousands of people pass standardized tests and achieve their education and career goals. We've done this by setting high standards for Mometrix Test Preparation guides, and our ASVAB Secrets Study Guide is no exception. It's an excellent investment in your future. Get the ASVAB review you need to be successful on your exam.
