**The Dead Man's Finery** Ramón del Valle-Inclán 2013 Ramon del Valle-Inclan is one of Spain's greatest dramatists. His particular legacy is the esperpento, a satirical mode combining tragedy and farce and characterised by its use of the grotesque. The Dead Man's Finery (1926) and The Captain's Daughter (1927) are two short esperpentos that satirise the military, which for Valle-Inclan encapsulated the worst and most retrogressive qualities of the Spanish nation. In The Dead Man's Finery, Johnny Bluster is a decommissioned veteran of the Spanish American War who steals a dead man's clothes in order to woo a prostitute. A parody of the Don Juan legend, the play takes the problematic, protean and devilish Don Juan and sets his outrageous behaviour in a very particular social and historical context. The Captain's Daughter is the most historically and politically oriented of Valle-Inclain's works for the theatre. A man is killed and the accident of his death sets off a chain of events in which exploitation and self-interest are the orchestrating forces, concluding in a military coup that topples the government. An overt satire of the rise to power of General Primo de Rivera in 1923, the play dispenses with the individual protagonist and portrays a society in crisis. Notorious for his recondite use of language, Valle-Inclain emphasises the popular idiom without ever falling into picturesque realism. Rather than recreate accurate modes of speech he creates a mode of expression that highlights incongruity and contrast, emphasising the puppet-like quality of his characters. Translated here for the first time into English, the plays are accompanied by a critical introduction and notes to guide the reader or director of these plays.Notorious for his recondite use of language, in these plays Valle-Inclan emphasises the popular idiom without ever falling into picturesque realism; rather than recreate accurate modes of speech he creates a mode of expression that brings together all the play's characters, regardless of their status or place in society. The emphasis on incongruity and contrast creates a peculiarly sarcastic tone that permeates the dialogue. The plays are accompanied by a critical introduction and notes to guide the reader or director of these plays, both fine examples of Valle-Inclan's expressionistic and experimental theatre.

*Solution from a Dead Man* Mel Figoni 2010-12 Retired after thirty-plus years in law enforcement, Tony DiGiusto, newly licensed private investigator, was looking forward to a quiet and uneventful retirement investigating simple everyday civil cases for local attorneys from an office in the sleepy and affluent hamlet of Sausalito, just across the Golden Gate Bridge from San Francisco. Little did Tony know that his first major clients—a pair of twins who had hired his uncle, a well-known San Francisco attorney, to investigate a property ownership dispute—would lead him to investigate the sudden and unexplained death of his uncle in a small Northern California town. Tony becomes entangled in a complex and horrendous investigation that will lead him from San Francisco to the charming and picturesque towns of the Sierra Gold Rush areas. The investigation into his uncle's death leads Tony and his live-in girlfriend, Gina Rosetti, into a nightmarish web of terror and murder involving long-forgotten Nazi activities in California and almost costs Tony and Gina their lives. California's colorful capital, Sacramento, and its legislative bodies play an unwitting part in this fast-paced and intriguing glimpse into a madman's plan for a new Third Reich.

**Deadman's Tome Campfire Tales Book Two** Amy Grech 2017-07-27 When we were young, some of the most memorial tales were the ones that we heard over the sound of a crackling campfire. We heard stories that evoked a creeping sense of unease. We shared tales that caused our blood to run cold, skin to pour with sweat, and vision to turn shadows into ghosts. The stories in this collection are designed to do just that.

*Dead Man's Canon* Lauran Paine 2017-09-12 The trouble began for Sheriff Claude Rainey when the Hightower Ranch cowboys discovered a mummified man and his horse in a desert canyon near Springville, Arizona--both shot in the head. Ordinarily that should have been the end of it. Few men riding the outlaw trail up out of Mexico make it through that godforsaken country. What troubled Rainey and the townsmen, however, was what Hightower foreman Al Trail had brought into town and given to the sheriff. Near the body, the cowboys had dug up a box that contained five bloodstained packets of hundred-dollar bills, amounting to \$10,000. This only deepened the mystery. After all, who kills a man and leaves behind \$10,000? The only clue to the identity of the dead man is the shriveled-up brand on the horse, which he sketches and sends to the registrar. The money is stowed in the only steel safe in Apache County while the sheriff and the townsmen wait to see who will ride in to Springville to claim it. It is Sheriff Rainey's hope that the town can keep the money and build a proper schoolhouse. Then two men arrive within weeks of each other. The first, Fernando Brion, informs Rainey that US Marshal Jonas Gantt and his horse have been found shot in the head on his land across the border in Mexico. He gives him Gantt's personal effects. The circumstances are similar to those of the dead man and his horse found in the canyon. The second man is Deputy US Marshal Arch Clayton, who informs Rainey that the dead man was his partner back in Raton, New Mexico. Both men arouse Rainey's suspicion and add to the mounting questions about the identity of the bushwhacking killer--foremost, whether he will show up in Springville, and what it is he's really after.
