Latino Americans Ray Suarez 2013-09-03 THE COMPANION BOOK TO THE PBS DOCUMENTARY SERIES Latino Americans chronicles the rich and varied history of Latinos, who have helped shaped our nation and have become, with more than fifty million people, the largest minority in the United States. This companion to the landmark PBS miniseries vividly and candidly tells how the story of Latino Americans is the story of our country. Author and acclaimed journalist Ray Suarez explores the lives of Latino American men and women over a five-hundred-year span, encompassing an epic range of experiences from the early European settlements to Manifest Destiny; the Wild West to the Cold War; the Great Depression to globalization; and the Spanish-American War to the civil rights movement. Latino Americans shares the personal struggles and successes of immigrants, poets, soldiers, and many others—individuals who have made an impact on history, as well as those

whose extraordinary lives shed light on the times in which they lived, and the legacy of this incredible American people.

Leadership Coaching Tony Stoltzfus 2005-06-28

Leadership Coaching is an essential tool for anyone who wants to learn to coach or improve their coaching skills. Written by a top Christian coach trainer, it is filled with real-life stories, practical tools and application exercises that bring coaching techniques to life. Part I is an in-depth look at how coaching fits with the purposes of God. Starting with key biblical concepts about how God builds leaders, this book goes beyond proof-texting to present an integrated, values-based paradigm for leadership coaching. Part II uses a hands-on, interactive approach to show you how to coach. Utilizing the seven key elements of effective coaching as a framework,

each facet of the coaching relationship is explained in detail. Then follow-up Master Class sections help you internalize the key concepts and try them out in real life. Leadership coaching is a great introduction to a powerful way of helping others grow.

Mind Tricks Steven Saunders 2008-10-28 A journey through some of the most fascinating and effective tricks of the mind. From the earliest times, we have known and applied the ancient adage "It's all in the mind." Internationally recognized self-development master Steven Saunders presents a compendium of more than four thousand years of unbelievable memory tricks, phobia cures, and much more—from how Vedic astronomers remembered long numbers and how ancient Greeks dealt with angry customers to how to accelerate your healing processes. With clear examples adapting ancient techniques for the modern world, and illustrated throughout with humorous graphics, this book can change your life.

Mindfulness & Minimalist Budget Charlie Mason 2019-08-04 Mindfulness & Minimalist Budget Bundle Mindfulness: OCD is a mental disorder that causes people to have compulsions to do things repeatedly, such as washing their hands or checking to make sure that the door is locked. While some who have never experienced OCD may think of it as annoying or simply paranoia, it is actually harmful and, in extreme cases, can lead to suicide. At the core of many cases of OCD is intense anxiety. This anxiety may be connected to a past traumatic event, ongoing stress, or even a genetic predisposition. The anxiety tends to be persistent and ongoing, with

the person suffering rarely getting a break. One of the best treatments for anxiety disorders, including OCD, is mindfulness. Mindfulness is the practice of constantly being aware of your own inner world and your environment in such a way that you are able to accept what is going on without being judgmental. Practicing mindfulness can actually alleviate some of the symptoms of OCD, helping people suffering from it get their lives back. This book will give you 10 different ways that you can practice mindfulness, with particular information as to how each of these different ways can benefit people with OCD. This book is very easy to follow. It will guide you through practices such as deep breathing, meditation, journaling, being conscious of your surroundings, and slowing down a lifestyle that may actually be fueling anxiety. It includes self-reflective questions that will help you become more aware of your own anxiety, how it contributes to your OCD, and what practical steps you can take. Best of luck to you as you

seek to become more mindful and start to overcome your OCD. Minimalist Budget: If you are looking for a way to live using a minimalist budget and to save more, this book is for you! Filled with so many ideas in spending, money management, investing and so much more, this book will give you insights on how you can spend less, save more, and grow your money. This book will help change the way you handle money, finances, and expenses. It will also teach you about the many different ways you can manage your spending so you don't end up in debt. The processes and ideas contained in this book are proven effective in keeping your expenses low while keeping your income high. Other things that you can learn from this book include: The important reasons why you buy the things you do - understanding your spending behavior is key to controlling it. How to be less susceptible to ads - you can improve your spending willpower with incredible tips on how to ignore ads. Improving your spending habits - find ways on how to

improve your spending habits so you never feel remorse or guilt after buying something. Insert minimalism into your life - minimalism will help you feel less clutter and more in control of your life. Some ways to achieve the minimalistic lifestyle and habits can be found here. Improve your finances and secure your future - everyone wants financial freedom. Let us help you be free of debt and live life to the fullest. Saving - know why savings are important and what you can do to create a nest egg for future concerns. Money Management guide - learn more about what you can do to manage your finances, get out of debt, and be financially secure.

My Feelings Diary Hisao HISAO 2021-11-25 My Feelings Diary Log Book For Kids - 8,5 x 11 inch journal, with over 120 pages to work with. Help Children And Tweens Express Their Feelings - Reduce Anxiety, Anger & Frustration and recognize their emotions. This beautifully designed journal is ideal for both elementary age, up to the early teen years. Your child will be able

to think about how they feel each day, track their mood and key aspects of their day. Each day has two pages to work with. On the first page.... The child is asked to identify their key emotion for the day by circling the most relevant emoji. There's then a space for the child to identify 3 great things that happened that day, to encourage positive thinking and gratitude. There's a space for your child to identify someone that's particularly helped them, or been good to them that day! There's a thought bubble, for the child to share a worry they have that day.

Like a Splinter in Your Mind Matt Lawrence 2004-07-16 Like a Splinter in Your Mind leads readers through the myriad of philosophical themes within the Matrix trilogy, helping them to gain a better understanding of the films and of philosophy itself. Offers a way into philosophy through the Matrix films. Covers thirteen of the biggest philosophical questions in thirteen self-sufficient chapters suitable for course use. Demonstrates how each of these questions is

illustrated through the events and characters of the films. Considers whether sentient machines are possible, and whether we should expect them to face the same existentialist issues that we do. Familiarises readers with key issues in metaphysics, epistemology, ethics, philosophy of mind, race and gender, existentialism, Taoism and mysticism. Includes a chapter that explains some of the technical elements of the films and confusing aspects of the plot. Also includes a Matrix glossary, and a cast of characters and their related symbolism.

Truth Or Dare D. P. Macdonald 2008-03-17 Rachel Morgan's world is turned upside down

when she arrives at her work to encounter FBI agents ready to charge her with embezzlement. She escapes and runs to the only person she can trust. Arriving at her fiance's loft, she finds it deserted, and comes to the realization that he's set her up. After discovering clues implicating a casino owner as his accomplice, she embarks on a journey to prove her innocence. *Dare* Mc Quinn, owner of the Missouri Queen and ex-special ops soldier is deeply haunted by his past, and just slightly troubled by his present. He's without an assistant. So when his grandfather informs him, he has the perfect person for the job, he takes notice, but is amused, when he hints that she may have a clandestine past. That is until he meets his new assistant, and has to agree. He'd vowed years ago never to take responsibility for another, but in the battle that follows he will have to utilize all his experience as a former soldier to save her, and to safeguard his heart. *Twenty-Two Shells* Tom Schulte 2021-07-20 Detective Marvin Sludge, a former Special

Services operative, lives a simple life. But he's the best detective in his department, the one always assigned to impossible cases and interrogations. With virtually no family left alive, he feels religion is for the weak and the soon-to-be-purged by natural selection—the ones who can't take the rigors of life. Sludge, who suffers from PTSD, catches a curious case. A young man, a senator's son, has been shot, and experts find twenty-two shell casings at the scene. That evidence points toward the makings of a serial killer intent on murdering one person a week for the next twenty-one weeks. As the bodies continue to pile up, Sludge and his partner search for a pattern and the killer. Soon the case requires him to attend a victim's church, starting him on his path to faith. Along the way, he addresses greater issues such as the meaning of life and who is really in charge of events.

Law: A Very Short Introduction Raymond Wacks
2008-03-27 Law underlies our society - it protects our rights, imposes duties on each of us, and establishes a framework for the conduct of almost every social, political, and economic activity. The punishment of crime, compensation of the injured, and the enforcement of contracts are merely some of the tasks of a modern legal system. It also strives to achieve justice, promote freedom, and protect our security. The result is a system that, while it touches all of our daily lives,

is properly understood by only a few, with its impenetrable jargon, obsolete procedures, and interminable stream of Byzantine statutes and judgments of the courts. This clear, jargon-free Very Short Introduction aims to redress that balance, as it introduces the essentials of law and legal systems in a lively, accessible, and stimulating manner. Explaining the main concepts, terms, and processes of the legal system, it focuses on the Western tradition (the common law and the civil law), but also includes discussions of other legal systems, such as customary law and Islamic law. And it looks to the future too, as globalization and rapid advances in technology place increasing strain on our current legal system. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and

enthusiasm to make interesting and challenging topics highly readable.
